YUKON BUREAU OF STATISTICS

Balance of Trade
2009

Balance of trade figures are produced by Statistics Canada and reflect the balance of trade between Yukon and the rest of Canada, as well as Yukon's total international trade. In this publication, Yukon's imports and exports of both goods and services is provided from data in CANSIM 386-0003 for 2009 only; previously published data are not comparable. Please see note to readers.

Exports

Location of Consumption of Yukon Goods and Services[1]

	2009
(millions of current dollars)	
Consumed in Yukon	**3,047.5**
Interprovincial Exports	397.3
To British Columbia	191.0
To Ontario	64.8
To Northwest Territories	52.4
To Alberta	38.5
To Rest of Canada	50.6
International Exports[2]	332.2
Total Exports	**729.7**

[1] At basic prices.
[2] Excludes re-exports.

Note to readers:

The data from the 2009 Input-Output tables reflect new classifications, and conceptual and statistical improvements as part of a comprehensive revision to the System of National Economic Accounts. Information on the new Input-Output framework and the historical revision to the Canadian System of National Accounts can be found at the following link http://www.statcan.gc.ca/nea-cen/hr2012-rh2012/start-debut-eng.htm

In 2009, $3,047.5 million worth of goods and services were produced and consumed in Yukon. An additional $729.7 million were exported to other provinces/territories or out of country.

Of the $729.7 million dollars in exports of goods and services, $397.3 million were interprovincial (54.4%) and $332.2 million international (45.5%).

Out of the $397.3 million dollars in interprovincial exports, $383.9 million were services and $13.4 million were goods. Major Canadian export partners were: British Columbia (receiving 48.1% of all Yukon exports); Ontario (16.3%); Northwest Territories (13.2%) and Alberta (9.7%).

Of the $332.2 million dollars in international exports, $242.1 million were goods and $90.1 million were services.

Total Exports[2]

	2009
(millions of current dollars)	
Interprovincial Export of Yukon Goods	13.4
Interprovincial Export of Yukon Services	383.9
International Export of Yukon Goods	242.1
International Export of Yukon Services	90.1

Excludes re-exports
